**eGLOBAL ANNOUNCES NEW APPOINTMENTS IN PUERTO RICO AND REITERATES ITS  
COMMITMENT TOWARDS THE ISLAND'S ECONOMIC DEVELOPMENT**

**San Juan, PR** – eGlobal, one of North America's largest ATM (Automated Teller Machine) operators in the hospitality, gaming, and retail industries, announced today the appointment of Luis Torregrosa Rossy and Zacarías 'Zak' Corbridge as part of their Puerto Rico management team. The additions further support growth and customer service in Puerto Rico and the Caribbean region. Jeff Matthews, Chief Executive Officer of Grant Victor, eGlobal's parent company, expressed his confidence in the Island's commercial and economic development, through the creation of strategic business partnerships.

"Luis Torregrosa Rossy, a distinguished Puerto Rican with more than 30 years of experience in the hospitality industry and casino operations, and Zacarías 'Zak' Corbridge, with experience in finance and sales in the United States and other Latin America regions, truly represent eGlobal's commitment to advise and service our Puerto Rico clients towards developing strategic business partnerships. eGlobal is proud to better serve the Puerto Rico market with the addition of two excellent professionals", said Matthews.

With more than 5,000 ATM's deployed throughout the United States, eGlobal provides solutions tailored to the needs of each business, supporting the cash needs of locations, transaction processing, and providing access to technical support 24/7. eGlobal provides ATM services in Puerto Rico for many large hotels, casinos, and retailers including the Ritz Carlton Isla Verde, the La Concha Resort, Courtyard by Marriott-Isla Verde, Sheraton and San Juan Marriott Resort & Stellaris Casino, Best Buy, and many smaller convenience stores and retail locations. Carl Kortum, President of La Concha Resort, a Renaissance Hotel, said they have had a first-class experience with eGlobal. "The service and support we have received from eGlobal has been outstanding. During the past three years, eGlobal has been a valued strategic partner for our business operations," expressed Kortum.

"Our ATM solution offers consumers a safe, convenient and reliable means of having immediate access to cash. It also empowers merchants with a value-added service that generates traffic and drives sales. The Puerto Rico economy is very dependent on the availability of cash," added Matthews.

**About eGlobal:** eGlobal ([www.eGlobal.com](http://www.eGlobal.com)) is one of North America's largest providers of ATM services to the hospitality, retail, and convenience industries. eGlobal deploys more ATMs than most banks and maintains one of the leading ATM uptime rates in the industry.
